“ *My prayers go out to Fred's family and friends. Fred and I were in the same grade at Rancocas Valley Regional High School (Class of 1947). In later years Fred kept in touch with me by phone and we enjoyed talking about our days at school. Unfortunately we lost touch when he became ill and moved. Although I had not spoken with him in several years I thought of him often wondered how he was doing. Fred was a part of the memories I have of classmates and friends during my time living in Mt Holly. Sincerely, Ruth "Smiley" Pattinson*
