“ *I always remember Gail and Joe as friends and especially being welcome at their old shore house on 9th street in Surf City. Gail and Joe made me into a Mopar guy in my 20's which was over 50 years ago and I still have my 68 Plymouth Road Runner. They taught me the appreciation of old cars from a young age and I always looked up to them. Gail was always kind and full of life and always talked about Joey and Connie Sue and then later the grandchildren. I express my sincere condolences to the family for the loss of a great person.*

“ I am so sorry to hear of my Godmother Gail's passing. You have been such a big part of our family for a very long since I was little. Our families had a lot of fun and especially our shore trips and the famous boat rides that my Mom would take us all on. We used to laugh how much your you and the kids hated the boat. I know my Mom told you when she passed you would have to watch over our family as she did yours. May you now be at peace with Joe who I'm sure was there with his arms out. Until we meet again. I love you Gail. Love Donna
