“ Dear Richey family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ We held hands when we were little and walked in the dappled woods behind our home. We sat on our picnic rock , waded with our Golden retriever in the pond at the end of the street,sled over the snow in boxes and roller skated everywhere holding hands. Dad made us a swing where you flew through the swirls of colors and angels. Higher you would yell at me. And that's how you lived your life . Near the end I held your hand as the color and angels wrapped you with love. I will always love you and remember you my little sister
