

Gary L Daniels

October 31, 1956 - December 5, 2022

Gary L. Daniels of Eastampton passed away on Monday, December 5th, 2022 at his home. He was 66.

Born at Fort Riley, Kansas, the son of James and the late Mary “Zena” Daniels, Gary grew up in Mount Holly and was a graduate of Rancocas Valley High School. He served his country in the US Marine Corps. After his honorable discharge, he served as a Police Officer in Burlington City and a Detective with the Burlington County Prosecutor’s Office. Gary earned his law degree and became a Prosecutor in Burlington County. He was also the Public Safety Director for the Burlington County Bridge Commission & taught Criminal Justice at Burlington County College.

For some time, Gary was involved in local politics and served as the Sheriff of Burlington County for 2 terms. Since 2005, Gary practiced law at his office on High Street in Mount Holly.

Burlington County, specifically Mount Holly, has suffered a huge loss with his passing. He was known & loved by a multitude of people. It was a reciprocal friendship in that Gary always had time to stop & say hello to one & all. He will be terribly missed. He will be remembered always.

Above all, Gary was devoted to his family: his two sons and their families. He

loved playing with his grandchildren, Reed (3) who called him “Grandpa Gator” and Nova (2) who called him “Pop Pop.” He had a special place in his heart for the light in their eyes and the laughter they shared together. Gary’s hours away from his law practice were few. Aside from his family, he enjoyed long rides on his motorcycle on sunny days and spending summer hours going for rides on his boat along the Delaware River. He had a phenomenal sense of humor. His jokes, stories and the renditions of his experiences provided amazingly funny moments with him. That, combined with his sincere regard for his fellow man, whether in need of a helping hand or a few dollars, as well as his many other hallmark qualities, made Gary the person he was. It also makes it easy to understand how much he will be missed. A true inspiration and an all-around great guy. You will be loved forever.

Gary is survived by two sons; Trevor Daniels & his wife Rebeca of Westampton and Evan Daniels & his wife Esther of Eastampton; two grandchildren: Reed and Nova; his father James; his former wife and friend Tina Cirillo; and three sisters: Maria Pijuan, Barbara Rouzan, and Michelle Daniels; as well as many nieces, nephews, friends & colleagues.

Relatives & Friends are invited to meet with the family at the Rose Garden Tent at the Smithville Mansion on Tuesday, December 13th from 11:30 a.m. - 2:00 p.m. Remembrances will be shared at 2pm.

In lieu of flowers, and in keeping with the person he was, we ask that you please pay his kindness forward.

Arrangements by the Perinchief Chapels, Mount Holly

“ Sending my condolences and prayers to the loved ones of Gary Daniels. I know it has been a few since Gary's passing but I have no doubt he is not far from your hearts. I am a recipient of Gary's helping hand. I believe God led me to Gary. He represented my son twice in court. Gary knew one was just youth being youth and encouraged my son to go forward not letting this define him. The other was because of reason's beyond our control. Gary treated us with respect and saved my son from having a record following him the rest of his life. Gary fighting for my son is a gift that will never be forgotten that we will pass on when possible. Every time we were in Gary's office he would make us laugh spreading joy in our time of need. I have a lot of respect for Gary Daniels. I did not know Gary had passed until today. I hope this brings Gary's loved ones joy, to know that Gary had a lasting impact that will be passed on

From a grateful mom.

“ *Gary was not just my teacher at BCC or someone I had small talk with when we bumped into each other in the halls of the courthouse or BCDC. He was my friend, my mentor. He always had a word of encouragement for me whenever we talked. I'm so sorry we never finalized a quick lunch together last time we spoke. I will never forget your encouraging conversations and your laughter. You will be missed beyond measure Gary Daniels. You put a pearl in the heart of everyone you met. See you in Heaven my dear friend...

“ *My heart goes out to Gary's family. Mr. Daniels represented me as my attorney when I was 17(12 years ago.)Even after he represented me, he still kept in touch to see how I was doing and was very proud of me for attending college and working towards my degree in Funeral Service. He told me “ Everyone has made mistakes in life, it's all about moving forward and I am doing that. Hearing about his passing is very sad. He was a great person who cared about others.*

“ Gary was on his way to court several months ago and saw me at my car struggling to unlock it. I had left my keys in it and the locks triggered when I closed the car door. I am sure he was on a strict schedule. Nonetheless, he pulled up next to the curb and got out and assisted me in my efforts to get the door open. With his help I was able to get into the car and I mentioned to him how grateful I was that he helped me. He said he was helping me the way he knew I would help him if he had been in need himself. He was always so generous with his time, abilities-himself really. He gave more to life than he took. As long as I have known Gary he was always the same selfless, friendly, outgoing, caring person every day regardless of his own circumstances. I will miss his friendship more than mere words can describe here.

“You will lose someone you can’t live without, and your heart will be badly broken, and the bad news is that you never completely get over the loss of your beloved. But this is also the good news. They live forever in your broken heart that doesn’t seal back up. And you come through. It’s like having a broken leg that never heals perfectly—that still hurts when the weather gets cold, but you learn to dance with the limp.”

– Anne Lamott

We had the certain privilege and joy to know Gary. I was 18 (many years ago!) when I first met Gary and we and our careers met on and off again through the many years following. The judiciary for me, the law for my husband. Gary always made you feel like the best of the best; always a smile; always so kind and so friendly. We will forever remember, among other times, our impromptu sharing of drinks at the Robins Nest. May you rest peacefully Gary. You will be missed, and the memories that you leave behind will certainly be cherished. Prayers go out for your family for healing, and for holding on to those memories that he has left.
