“ Granddaddy Robert, you will be greatly missed. Our talks, your laughter, and all of your helpful advice. Your daughter Joyce and other grandchildren, Jami and Jamar miss you too. You were a wonderful person, kind, smart, a very knowledgeable man. You will never be forgotten. Love you, your granddaughter... Monique Dewberry.

“ Dear family of George Banks:

I was sorry to hear that you lost your dear father. Losing someone you love in death is one of the hardest things that anyone will ever have to deal with. We have a great hope for the future because God promises to bring the dead to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief Bible message has brought you a measure of comfort in this difficult time.

“ *Being a veteran myself and coming from a very long line of veterans, it was a privilege to have met you. You served your country with honor during a time when the whole world was in turmoil. That deserves the respect and admiration of every citizen of this country. Although we only met a few times, hearing Terri talk about you every day; I felt like you were part of our family. I'll miss sharing the jokes with you. Rest in peace and may God watch over you and your family.*
