

George Gerard Christiansen

October 22, 1955 - July 7, 2024

George Christiansen of Beverly Nj left us peacefully on Sunday surrounded by his loving wife and family. Per his wishes there will be a celebration of life with family at a later date.

George is predeceased by his father Bernhard Christiansen, mother Frances Christiansen and brother Bernard Matthew Christiansen.

He is survived by his wife Lori Anderson, sister Mary Teresa DeLoach and her husband Guy, and brothers Steve Christiansen and wife Jeanne, Drew Christiansen, Pete Christiansen and wife Pat and Paul Christiansen, many and much-loved nieces, nephews, all of Lori's family, and extended family members and friends, and last but not least his much-loved canine sidekick Fin, his goldendoodle. We all loved him fiercely.

George had a heart of gold, the patience of a saint, a wicked goofy sense of humor and a love for all things outdoors. He was always up for an adventure. He worked at Mills Harley Davidson for most of his adult life, was an avid sailor, loved riding and racing motorcycles in his early years and sailing and racing sailboats and kayaking with Fin in his later years. If it was broke, he could fix it.

George was Stellar beyond compare as a husband, partner, friend and cherished member of the family in all things. Any person he touched in life was the better for it. Anyone who knew him well could not help but love him. We are all better for having the pleasure and honor of sharing his company. He will be loved and missed beyond measure.

“ George and I went way back to 7th grade at Corpus Christi grade school, then high school, then for a few years afterwards. We lost touch in our adult lives but always exchanged greetings through friends. He taught me how to ride a motorcycle and when I was in the Corps, he and I (mostly he) rode my Norton 850 from NJ to Virginia Beach, through the Chesapeake Bay Bridge Tunnel in the middle of the night, when I had to go to an electronics course at the Naval Air Station there. George was also who introduced me to the music of John Prine, and his favorite Kinks song, "Motorway". He was a great guy with a great (but often weird, lol) sense of humor and a very kind heart. Godspeed and Rest in Peace, Brother.

“ I was at Mills from 94 to 2005 and had the honor of knowing George. He kept us laughing. He is a great man.

“ Uncle George was always a fun time. One time when Grandmom was sick he was watching me and my sister. He started carrying my mom's purse saying I think this looks better on me. He will be missed.
