“ I'm sorry to hear about the passing of Mr Hege. He was a great inspiration to me in my late teens early 20s. He would encourage me to follow my dreams of owning a construction company. He always believed in me and I will never forget that. Thanks you Mr Hege. Prayers to the family

Dot And George and I raised our kids together, We spent all holidays together. He was our Brother, and that is what they called each other "Bro" Matt was there for him after his accident. Dot and he had a girls baseball team. Dot and I did the food stand during the football season in the late 70's. George would get up at 4 am to pickup the Philly pretzel. All money was for Fleetwood Sports program. He also supported the VFW 8050 in Rancocas Wood. George was there when ever needed. He's now with his wife that he loved so much. There both looking down on their children & Grand children that they adored. Till we meet again
