“ Hi Linda and Family,

I am so sorry for you loss. I believe that Mac is still with you. He will always be with you. You had an amazing life with Mac(in this day and age, we should take notes). Yes we all miss the person beside us, but at the same time, all the memories he is given you should last you many lifetimes of smiles. You are the most amazingly strong person I know. May God always shine on you.

May God bless your family during this time and guide them to have strength to pass thru this.

I love you, Linda

“ Dear McCarthy family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
