“This is the man I looked up too my whole life! He stepped up and was a father to my sisters and I, when he didn't have to. Dad you were my rock, anytime I had a problem I could always go to you for the answers. You don't know how much your going to be missed. I'd trade places with you in a heartbeat! You better save a spot for me up there.  
Gone but not forgotten! Love you...
