“ I will miss my oldest friend & fellow concertgoer immensely. He & I shared so many wonderful evenings together. We went to Gettysburg & the baseball Hall of Fame too. He helped me when it became clear I needed to stop drinking. How lucky was I to have a true, blue friend like George.

“ I was deeply saddened to hear about George's passing. George was smart, kind, and helpful. We enjoyed talking with him whenever we saw him. My dad also enjoyed his company, they had many conversations. George will be missed. My deepest condolences to his family.

“ George was a true "Renaissance Man ". As a person who bonded us, George's political, musical and artistic Facebook posts reached our souls and our sense of being.

Well done my friend ❤️ and we will never forget your impact and how you made us feel. Love you George forever.
