“ *When I landed my first post US Navy job at Murphy Trane and later at A.A. Duckett, George was always there to guide and teach the HVAC trade to whoever was willing to learn. Thanks for the memories and your service to our country.*

“ *George was a great guy, I worked with him at duckett, he was the reason why I got a job there, if it wasn't for him, I wouldn't have the good livelihood and opportunities that I've received as a result of him going through the trouble of getting me a job there. He was a smart humble man and he will be missed. Rest in peace George*

“ We have so many wonderful memories of George, from barbecues, get togethers, vacations, and do-it-yourself home projects. Of course, what we remember most was how the garage door was always open and he would be working on his car. Even now, when we walk past, our dogs both sit down on the driveway waiting for him to come out and talk.

We will always remember George as a kind, gentle man who loved his family and was a great friend and neighbor. We wish the family peace and healing.

“ From the first time Ernie and I were introduced to George by Tina when she and Matt were dating many years ago, we instantly liked his friendliness and warm smile. At Tina's bridal shower we were further touched by his genuine speech. He said he was very happy that Matt had found Tina and told Matt to never let Tina go. We knew then Tina was going to have a great father-in-law. We were right. George proved all this time to be a loving caring father-in-law to Tina. we would never forget the night when Tina encountered extreme difficulty while delivering Ryan. George with Kathy drove in the biggest snow storm that night to the hospital to offer their loving support!!

George was always a graceful host at holidays or any other time. Last year on our last day of vacation in the Pocono Mountains, we dropped by their summer home. After a delicious home cooked meal, George drove us around in his golf cart to show us the beautiful area. We had such a relaxing, delightful time together that we agreed to do it again, this time with the kids & grandkids, but in the Fall when it would be most beautiful there....

George, we love you & you will always live in our heart!

“ I met George several times all related to the wedding of my niece Tina Weiss to his son, Matt. I remember him as a gracious man with an easy, genuine smile, friendly and open to all, a man who did not know a stranger. I am sorry I did not get to know him better over the years. My condolences to the family.

“ I have so many memories of Mr. Seaman. I'm having trouble picking my favorites. I loved walking by the house and seeing him working on his car...and then a little while later, driving it. I'll always think of how much he enjoyed being busy and walking the dogs. Duckying is definitely a memory that will always stay alive. Mr. Seaman was a great man and will truly be missed. Our thoughts and prayers are with you all.
