“ To George's Family, I am so saddend to learn of the passing of Butch. I am a bus driver for the Burlington County Burlink. He was so much fun and I looked forward to seeing him in the afternoon on his return trips from Mount Holly. Butch had a special way that made everyone smile and join his topic of conversation ranging from hospitals to old muscle cars. It was never dull when Butch rode the Burlink! The ride is a little empty now, but I can still see him in my mind, when I drive by the stops where he would wait, waving his cane then climbing on board with a happy greeting. He was a pleasure to know and I miss my bus buddy. I am so very sorry for your loss. Sincerely, Joy Grois
