“ *Monica and Bill and family - Travis and I want to share this message about collectively losing our beloved moms: We never truly lose the people we have loved, even after their passing. Your mom will continue to participate in your acts, thoughts, and decisions. Her love leaves an indelible imprint in the memories of her family and friends. We find comfort in knowing that our lives have been forever enriched by having received her love. Travis and I honor her long life, and have offered a donation to the Adalyn Rose Foundation to additionally honor your sweet Poppi. Much love to you all!*
