“ Greg was a great guy. I went to high school with him. He would give you his shirt off his back or his last penny. He always thought of everyone else before himself. I know he is looking over his family right now telling them please don't greive me I'm in a better place. Heaven got a great angel & the earth lost a great guy. You all will be in my thoughts at this very hard time. RIP Greg you will be missed!!

“ Greg was a great guy. Probably the hardest working man I know. As a neighbor, I can attest he would leave for work in the dark and come home in the dark...every day. He loved his job and he loved his family. RIP Greg!

“ I'm so sorry Jennifer, Jared and Madison for your loss. I didn't know him very well but I'll never forget the time he helped me at the salon and I just felt like he was the nicest man.
