“ *Harold always amazed us at how sharp he was regardless of his age. We enjoyed visiting with him over the years at Connie & Jim's, but most especially when he came to The River. May you all know what an inspiration it has been for me to watch Connie care for Harold and know that I have an understanding of what true compassion is by her example. Blessings to Harold on his journey & all the family on their loss, diana & Eric##imported-begin##diana I. pierce & Eric C. Sprengle, Sr. ##imported-end##*
