“ Clint -

So many great moments I remember...

How could I not fall for you on our blind date in June '96 ?

Handsome, funny, quick witted...

Driving you home from apprentice school in my green Pontiac Grand Am...up and down 295 & everywhere in between.

Dinners at Ray & Terry's.

Your football Sundays at The Hellers....etc.

Your early morning fishing trips with Gary or, your Dad and your uncle Ed.

Bruce's.....

Your sweet Lab., Lady, was the best dog ever !

I remember how your family always had oyster stuffing at Thanksgiving.

Your Grandmom's Feast of Fishes every Christmas Eve.

Mrs Tyson's annual neighborhood Christmas Party.....just the ultimate hostess ! What a great time that was every year !!!

Your Mom's Christmas Morning living room decorations were unbelievably epic ! Magical ! Wow !

I never saw you smile as much as you did the time we went to Pittsburgh to see your beloved Steelers play at home.....very cold but, very fun !

Our Disney vacation for ten days....

I loved just driving to Cape May for dinner.

And, our dinners at Flo's Lakeside when we had our rental house.

You were an excellent electrician.

Top of your class .

Your co-workers were excited to show me the chandeliers high high up on the ceiling of the big hall at The (Trenton) War Memorial Bldg's grand re-dedication party they held for all of the trades people who worked on that project. They said you were fearless.

You were always ready to offer help whenever your friends needed it.

When we got our house , you would get home first and, you would make the best dinners....frying fish, seafood chowders...anything and everything.

You never complained about the hideous yellow color I picked out for our kitchen, you really could have but - you never did.

We had so much fun dancing at weddings. You were an amazing dancer.

If I heard " Summer Wind " , by Sinatra, coming on over the speakers at a wedding....I knew you'd already be waiting on the dance floor for me - and, you always were.

But, the best part of attending weddings with you was to watch your parents dance together.

Your Mom would lay her head on your Dad's chest....

Your Dad tenderly holding your Mom's hand...

Both of them with their eyes closed.

They just seemed to float together.

It was so beautiful to watch.

I can still see it in my mind.

You could tell they loved each other deeply.

I couldn't even count the dozens of beautiful roses you bought me over those years. You never forgot a dating or a wedding Anniversary.

We shared some of life's best & some of life's not so great moments together.

*You were with me during my Mom's cancer saga.
You held my hand all throughout her funeral in 2007.
I loved you for that. I never would have made it thru any of it without
you there.*

*I'm crying so hard as I'm writing this.
I can't believe you are no longer here.
My heart is just breaking all over again....especially now.*

*I hope you knew you were loved by so many people.
I hope you knew that you were a great man. And, a great friend to
so many people.*

You will be missed so much !!

*I know you are now with your Mom, and your uncles, and your best
dog, Lady.
I know you are having nothing but top notch fishing days....*

*Rest in Peace.
Much Love,
❤️ Christine*

“ We miss you Uncle Clint. I have very few appropriate stories to share on this board. I just want to thank you for always being you. For all the “treasures” you shared and the love you always showed towards Jackson. He absolutely adored you and thought you were so much fun. We will all have great stories to share about you for the rest of our lives. Rest In Peace. We love you.

Many great childhood memories with Clint and my uncle Tommy. You were always a pleasure to be around and it was definitely good to see you whenever I made it back "home" to Lumberton and the Christmas gatherings at Aunt Terry's. You will be missed sir.
