“ *Our relationship with Harry was shortened with his illnesses, and our snowbird status at Tropical Isles. He was a good neighbor. We cheered him on, whenever we saw him out and about with his PT caregiver. We also enjoyed his humor. Life will never be the same for many of us with Harry's passing into eternal peace. That, we are thankful for. Our Love to the family.##imported-begin##Sally and Ralph Lingg##imported-end##*
