“ I've known Mrs Earle my entire life and she welcomed me In her home every day when I was little . I ran across the street to play with Brian and Patrick. She'd yell as her boys as we threw crab apples at each other. I miss that English accent already yelling out the front door. She is always Mrs Earle to me no matter how old I am, a sweet caring woman who would walk up the street to say hello whenever she saw you...she'd light up w a big smile and giggle as she'd talk to me. The picture you chose captured that memory well. A strong amazing woman. I am truly blessed to have known her. I am deeply saddened to hear of her passing... I'm sorry I can't pay my respects....my thoughts and prayers are with you all.

“ We had every intention of paying our respects to Heather and family on Thursday, however, work prevents us from doing so. We fondly Heather through the “English Girl’s Club” and all the picnics at Gwen and Earl’s over the years. Heather was a good friend to our Mom, Shirley Reid. I’m sure Shirley and other English friends had the Union Jack flying to welcome Heather up above 🇬🇧.
With heartfelt condolences and love, Bill and Debbi Reid
