“ *My thoughts and prayers to the family during this time. My mind is full of great thoughts of Mrs.Kondreski, these memories will always bring a smile to me. I cherish the fact that she liked me and always gave me a special hug. She was very good at all of the things she was, a Polish woman,a great wife,fabulous mother, loving grandmother. Full of character,an infectious laugh, eyes that sparkled, but they could turn to piercing if you did something she did not like. A Matriarch who made sure the family was strong. I will always enjoy the memories, and be thankful I know the family*
