“ *I met Hank on the radio when I was 15 and he was 19. Hank was always there when you needed some help or just needed a friend. He'd go out of his way to pick me up in his Karmann Ghia to go to a ham radio club meeting even though is was miles out of his way. There were many hours spent with Hank and some other Ham Radio friends raising hell and running contests.*

The kindest man I ever knew. I am glad to have known him and miss him already.

*May the road rise to meet you
May the wind be always at your back
May the sun shine warm upon your face
The rains fall soft upon your fields
And until we meet again
May God hold you in the palm of his hand*

73's to my old friend. My heart goes out to his wife and family. His key may be silent but memories of him will always be with me and those who came to know and love him.

“ *My late husband, Frank, and Hank were very good friends and ham buddies. Hank was always there to help with tower work and contests. I remember he always brought Joe with him...a dad and his son (and all his children and wife) were always special to him. He was a great guy. We will miss him.*
