“ *Nancy and family,  
Our sincere thoughts of sympathy are sent your way today in honor of Harry. God must have needed another angel and called upon one of the good men, like Harry. I am so glad that I had a chance to sit down with you both and chat a while on your porch earlier this summer. As one of your long time neighbors, we'll miss seeing Harry drive that lawn mower and giving a wave or two along the way. Please do not hesitate to call upon John or I if you need anything when your clan is not available. I know you'll keep the memories of the good times spent together closest to your heart and that they'll help comfort you.*

*Sincerely,  
Terri and John Sackett*
