“ Albert,  
My name is Jeanette, I worked on 3NE with your mom for so many years. She was my weekend blessing every time she worked. Truly a blessing to know to work with, she was like my work mom. I am so proud to have known Hermie. My Hermie moments I will always cherish was her pork chop weekends💙 we shared so many life stories about family. Even though you may not remember me, she spoke of you often and how proud she was of you as her son. My heart brakes today hearing of our great loss of a beautiful women, but comforted knowing she is now back in the arms of her beloved husband Albert Sr. God speed to Hermie.

“ *Hermie, you shocked me. You're such a wonderful person and a good friend. Each time I got admitted to Mt Holly, Virtua Memorial Hospital, you always came not just to visit me But also stayed with me during your off days. Our friendship goes way back in the 70s but I always attended the milestones in your life. We always got in touch with each other no matter the distance. You are always fun to be with and I will never forget you. You were one of my original friends in Mt. Holly and those were good memories of our togetherness. I know you will be happy where you're going . You'll be in a better place with our Lord in eternal peace. I'll be praying for you but also for those loving family you left behind. I'll pray that they be able to cope with their loss. Rest In Peace my friend, you will in eternity in our minds .*
