“ *Wow, how can one put into words Hilda's impact on his or her life. She was a person who made everyone feel special. She was witty, vivacious and a joy to be with. When things needed to get done she can be tough as nails, but also fully willing to help at the same time.*

Anytime I needed to work with her at McGuire, I counted it as a blessing. It was with mixed feelings when she retired. Happy for her, but also sad that I wouldn't get to see her as much doubly so now that she has passed.

My heart goes out to her family and friends. Take care and God bless.

“ Christine and Beryl Hilda's cousins in England.. We will sadly miss Hilda a lovely lady full of life and love. She worshipped her grandson Cole and told us all about him when she visited us in England 3 years ago. Hilda had a fantastic sense of humour always made us laugh and talked all the time with brilliant stories to tell. Loved her sister Beej and brother Bill and all her family. Loved taking photo's and was a very giving person . Loved Billy Ray Cyrus and Doc Martin . She never forgot her birth place England and her family in England . R.I.P our dear cousin Thank you for the lovely memories we will cherish forever. X

“ When Hilda and BJ came to England to stay with my late parents, their cousin Barbara and David, they teased my Dad as he always wore a suit and tie ,even at home, . He didnt have casual clothes. One day he even came down to breakfast with a tie over his pyjamas to make them Laugh. I remeber Hilda coming over 3 years ago with Bj to see Martin Clunes and they dropped into my house. We had a real laugh. She was so funny, bright and vivacious. Definitely taken far too soon. She will be so sadly missed

“ All I know is... The world is not going to be the same without Hilda in it. Omg...the laughs we have had. I'm from Canada and whenever I came down, Hilda, Beej and Judy always took me under their wing. One time we went to the Aquarium. They had little baby sharks in this one trough. Judy splashed the water and Hilda screamed and jumped back. She thought one of the Sharks had jumped out at her. Our stomachs hurt so much from laughing. One time I sent down some Crunchie bars for her and Beej to share and she started eating them before Beej could get there for her share. This is just a small part of my memories. I luv Hilda, Beej, Judy and Patsy. They are my friends. They are my sisters. Much love to all of Hilda's family.
