“ *Aubela was an incredible woman. A woman who lived with an unmeasurable amount of integrity and love. With her sense of humor and vigor for life you could always count on a great conversation and a friendly ear to listen. She was loved by everyone who knew her. No matter if you were her family or a new friend, her house was always the place to gather for any occasion and you always felt the warmth of her love when you walked in. Not to mention she ALWAYS had something cooking! I miss her with all my heart and can't wait when we are able to have one of our long talks again! I love you Abuela!##imported-begin##Kate ##imported-end##*

“ Dear Mrs. Galloza,

*Thank you for opening your home to me.
I always felt part of your beautiful family, and that I will never forget.
I still remember sitting at your kitchen table, and enjoying the most
wonderful food you lovingly prepared. When I would respond with
No Thank-You, you would't not accept that response!*

*Thank you for so much.##imported-begin##Stanley
