“ *Dear Heidi, Alan, Samantha and Matthew,
Our loved ones leave behind spaces in the world that can never be filled. But they also leave behind love and light in each of us, sparks of joy and hope that live in our hearts and give strength to our souls. The poet, Santayana, said that the worst sorrow was happiness remembered, but that's where the solace is as well. I hope that you will find comfort in your memories. God Bless and keep you.

“ Heidi, Alan, Samantha, and Matt,

We are all sorry for your loss. Hilda was such a lovely person, and we are glad that we had the opportunity to spend time with her and your family listening to her many stories about her childhood in Germany and her life with Chuck and the girls. She had a very interesting and forefilling life. We will miss her laugh and smile very much. Please be comforted in the fact that she is now at peace and with live in our hearts forever.##imported-begin##Robert, Joanne and James Bevan ##imported-end##

“ Dear Heidi, Alan, Samantha & Matthew!
We love you and are praying for all of you and your family. Pastor Matthews told me one time, "For those who love the Lord, this is not a final farewell or a last goodbye, it's until we meet again." When we go home to heaven your mom will be there calling out the bingo numbers!! Love you all!

“ Doris, Lois and Heidi; I'm sorry you lost your Mother. She was a beautiful mother and friend to all. I remember her teaching me so many things. I loved her as I love you all. I wish I could be there, to meet all the grandchildren and see you all again, and pay my respects to her. May God comfort all of you in knowing that she's lead a good life and is with her husband and parents and other family. It's like a family reunion for her now. Sweet but also sad.
