“ Dear Mrs. Reynolds/Hildegard, I really loved you. You always wanted the best for your daughter..All you wanted was to be accepted and loved. You were such a delight, and had anecdotes to share no matter what the occasion or issue. Your life experiences made you such a sounding board for all us to trust. One of my fondest memories was you stuffing like twelve teenage girls into your Orange Karmen Ghia to drive us all home from Junior High School. What a trooper!  
I got a nice hug from you later a couple years after I lost my Mom, and it really felt like I was hugging my own Mom. I am sure Carolyn would share you with me. You were all our Moms. Thank you for gracing our lives with your own, a beautiful woman who will be missed very much. From Marie
