“ "Why did he have to go, so young I just dont know. Things happen half the time, without reason, without rhyme. Makes no sense to me. I just have to believe, he flew up to heaven on the wings of angels by the clouds & stars and passed where no one sees. And he walks with Jesus and his loved ones waiting and I know he's smiling saying, Dont worry 'bout me. Loved ones he left behind, just trying to survive and understand the why. Feeling so lost inside. Anger shot straight at God, then asking for his love. Empty with disbelief, I just have to believe that....hes smiling sayin Dont worry 'bout me....." ❤️##imported-begin##Korine Saupe##imported-end##
