“ My Mom And Dad came from PR and we stayed there for a bit until we were situated. There was always a warm gatherings with Titi Vita and Tio Vicente. My memories are many, but just grateful about the love she gave freely and support for us and everyone in the community.

“ Your mom was always so kind and had a great attitude on life. She always trusted me with her son Richard. No matter how early or late our group activities ran. May she rest in peace and I pray she is in heaven with her son and family. May God give strength to her family and friends.

“ Praying for you and the family. I always enjoyed being around your mom. I loved watching her attend to her garden of vegetables, as we sat around the table enjoying the weather. When she gave me some vegetables, they were so fresh!! She will be missed Jenny. Love you and GOD bless.
