“ *Dear Pat, Joan, Angela, Michelle and Katie,
I am so sorry to hear of the passing of your Mother and Oma, Inge.
It has been many years since I last spoke with her but please know
that I thought of her often over that time.
She was always a kind and loving woman who was deeply devoted
to her family. Inge was always very good to me. We shared a
common love of Ed, Jr. and the heartache of losing him. Nothing
compares to the sorrow of a mother losing her child. Take comfort in
the fact that they are together again in the loving arms of our Father
in Heaven.
You are all in my thoughts and prayers.
With sympathy and much love,
Joanne Sofia*

“ *My Deepest Condolences;
I wished to say, may God comfort the family and all your friends. In God's word the Bible, we can look forward to the time when death will be no more, and instead of tears of sorrow there will be tears of happiness. (Rev 21:3,4) May your memories continue to provide you a measure of comfort at this time of great sorrow.*

“ *Angela would tell me how her grand mother Ulm appreciated that she was helping our rescue and the love she had of animals. She was moved by Angela's different stories of cats that we helped throughout the years. So much that she decided to knit pretty hats for our rescue to sell to raise money toward vet bills & their care. We will miss grand mom Ulm very much.*

Love and thanks to a sweet lady.

“ My Oma has been there for me my entire life. I am so very lucky that I got to have her around for 33 years. There are so many memories that I could share, like all the Holidays that she made so special. Her French toast and apple sauce breakfasts in the morning (no ones ever compared). The fact that she opened her home to all the neighborhood kids, my friends and became everyone's Oma. But my most precious of all is the day she finally told me she was proud of me. All I ever wanted to do was impress her. Make her proud. Finally hearing those words made me feel at peace. It took 33 years but she finally told me. I called my mother crying that day, happy tears. When she got sick she finally opened up to me enough that she learned the true person I am. I am grateful for the time I spent with her and I am so happy that I always put her first. Some of the best memories I have we're of the last year we spent together. I will always love you Oma to the moon and the stars!
