“ *"No one else will ever know the strength of my love for you. After all, you're the only one who knows what my heart sounds like from the inside."* - Author unknown

Steve,

My thoughts and prayers are with you and your family. The quote above always embodied for me the bond and love between a mother and her child that exist in body or spirit. Thank you for sharing the sweetest picture I've ever seen of a mother and her son; in both your smiles there are tons of memories there and those memories you have to use for those times you miss her.

*Lots of love,

“ Steve ,Elizabeth and family . So sorry to hear of your mothers passing . As one of her caregivers at home I felt Ingrid and I became friends , and was very welcome in your home. She was appreciative of things that I did for her, loved the egg salad I made for her. She loved gathering the eggs and washing them before they were put away . We crocheted , an art she had sort of more or less forgotten how to do . But we got her going again. She made so many dish towels! . She would always tell me "Good" in German, would laugh when I would try to repeat it . She shared memories of her life in Germany , good and bad ! Wish I could have known her many years ago . R.I.P. Ingrid. My condolences , Phyllis

After 50 years of being separated from the Pennock family, Aunt Ingrid was quite instrumental in getting Bob back in the family. We will always be grateful for her efforts in rejoining us to such wonderful people. Our condolences to the entire family. From Robert and Gwen Pennock.
