“ Jack and Dee were my next door neighbors in Acacia. He was the most gentle and kind person who was always there for anyone in need. Before my Dad passed,he helped him in so many ways. You never had to ask twice and you knew he did it with a pure heart. He will be sorely missed by all who were fortunate enough to call him "Friend". His gentle manner will be remembered by all. Rest in Peace my friend and thank you for all your kind acts. You were an inspiration to many. With Love,Pat Fleming.
