“ *I met Jackie when I accepted the nomination to be on the Board of Directors at the Fort Dix Federal Credit Union, Jackie held the position as Secretary. Jackie always greeted the fellow Board members with a smile and something funny about her day, when the meeting was called to order she quickly got down to business and performed her duties in professional manner. Jackie was wonderful person.
My Condolences to her Family.

“ *I worked with Miss Jackie on JBMDL and she was such a delight with a real Spitfire personality. I loved nothing better than to listen to her stories of the base “back in the day”. She had some doozies. I’m so sorry to hear of her passing and will keep her family in my prayers.*

“ I first met Jackie when she came to our program as a result of the Base Realignment and Closure Commission (BRAC). She quickly became a member of our team always ready to lend a hand. She was totally dedicated to the mission of Fort Dix and, more importantly, a friend to each of us. Our friendship continued after I retired in 2002. We enjoyed occasional lunches together with Carmen and Glenda. The last time I saw her was last spring when Carmen and I visited her at home. Jackie was a very special person, always putting other people first. I will miss her. My deepest sympathy to her family.

I will always remember Jackie as a very inspirational woman. She brought out the best in all of us who loved working with her at Ft.Dix (JBMDL)
Jackie was always kind, very dependable and so funny. All of the military families loved her too. Even when we visited her in the hospital she took good care of us! ❤️ Val Buckie

“ Remembering Aunt Jackie and that one time she danced right through her Nylons with her son Billy at Mark and Kate’s wedding. So whenever you dance, dance like Aunt Jackie - full of joy!

Jackie and I worked in the same Directorate in the 1980's, and during that time she was the manager at the Fort Dix Bowling Alley. She and her friend Barbara were two of the funniest, kindest, helpful, and adorable ladies who made me smile and laugh with every contact. Throughout the years, Jackie never changed and she was the same "kind and friendly" person as she was on the first day that I met her. Jackie, you will be truly missed!!! My condolences to the family for your loss!
