“ *I am so sorry to hear of the loss of Jimmy.... Over the years I have thought of him often and remembered all the things he taught this little curly haired girl about work and life. He gave me my first job.... putting corn crates together, which turned into packing corn, and the most exciting of all, driving the trailer. He was a good kind man and always fun to be around.... So rest in peace my mentor ... Prayers for all who loved him and may you remember the good times. Hi Ruthie, doubt you remember me, but you probably remember my brother Gary Patterson. Been gone from home for over 40 years but still think of it as home.*

“ *A big, quiet man. I am sorry I was not able to say goodbye.*

“ Many of my childhood memories include my Uncle Jim and his beautiful farm and family. I took many walks "up the back lane" to my Uncle Jim's and Aunt Ruth's. There I would find cows, kittens, horses and a Collie named Laddie. It was Heaven as a little farm girl. If I timed it right, my Uncle Jim would be in the barn or in the house so I could stop to chat. My Aunt Ruth always offered me a drink, a snack and fresh veggies from the garden. It was the perfect place to be. I remember family night at the races. I remember swimming and ice skating on Uncle Jim's pond. In the winter, the Baumas got together on their snowmobiles. Good Country Living! As an adult, I still take walks up the back lane. It was always nice to stop and chat with Uncle Jim and Aunt Ruth. I am very fortunate to have such wonderful memories. Rest in Peace Uncle Jim.....thank you for the memories that will always be treasured.
