“ Dear Clark family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ Jim was my neighbor. We lived directly across from one another. Every morning as I went out Jim was sitting on his porch with a cup of coffee (he had already walked Molly). We would share a wave and greet each other. Sometimes when outside working in the yard I would walk over to his house and other times he would come over to mine and we would just talk about different things. He actually would come over after it snowed or there was ice and help me with my disposing of it; I was always amazed at his energy. Jim was a kind and thoughtful person. I will truly miss him.

“ Jim was one of the finest men I have ever meant. We served together in the 108 CAMS at McGuire AFB for years. I considered him to be a good friend. He was a great technician and supervisor. We shared many hunting stories and memories from our military careers at our monthly retiree breakfast. We will miss Jim. Dan Lingle

“ *To all and especially his family.*

This is Jim's brother John. I'm only 15 months older so we were very close growing up.

Our father died when were very young, Jim was 9 and I was 11. I remember one time in grade school when a nurse came to the school back then to give a series of shots. As Jim would like to play hookie from school and go fishing.

Well this day they came to give shots and of course he had gone fishing and don't you know they proceeded to give me his shots. They didn't believe me I was his brother.

He liked to play baseball. He had a nick name growing up. Tiny Tim We spent several years with our sister Betty on there farm and then of course we got separated but remained very close. I moved to State College with my sister and her family. He went with our grandmother to live and farm for a while on our brother-in-law John Mellott farm. After graduating high school he joined the Air Force and retired after 35 years service.

We were very close through the years. I'll miss him dearly. He was my only living brother.

I am the only living member now of our family.

Jim was very neat and orderly. He loved to be outdoors and loved to hunt, especially deer. He was very proud of his food plot. He enjoyed going to hunting camp.

We had 5 older sisters that are deceased and one brother that died before Jim was born.

Jim was a kind and very neat caring person. He was a great guy.

I pray that every one that knew him will cherish living memories.

God's special blessings to his immediate family and many relatives.

Love you buddy, Rest In Peace

John

“ To All,
My Uncle Jim was one of the most inspirational men I've ever known. He tucked me under his wing when I was young, He taught me about the hunting techniques and so much more a young man could ever dream of and the man that I am today.
I am so blessed to have been there to spend time during his final journey.
I will always Remember and Cherish how his eyes opened so wide when I walked into his room and Uncle Jim saying "Mitchell how are you " I replied I'm OK and I love you so much Uncle Jim.

My thoughts and prayers go out to the entire family.
I LOVE YOU ALL SO MUCH
God Bless and I know that Uncle Jim is in the hands of our Lord and in a good place.
We love you all so so much
Susan, Mitch and Simon
