“ I remember Jim as a good friend from High School and into our mid twenties. I remember we organized a street hockey league. I went with him to the recruitment office when he signed up for the marines. He came back from boot camp a changed guy dropped a lot of weight physically fit. He got stationed in Hawaii. We remained friends after his 4 years when he got out he came home to Delran. I remember when he met Sonya at the old hideout. We lost touch years ago and I recently found out he had passed away. God's Blesings to you Jim and your wife Sonya and son Brody. You went to young RIP my friend Bill Burns

“ Sonya and Brody:

May you find peace in all the wonderful memories you all shared together. Jim was a good husband, father, and friend. I celebrate his life and the love and strength that he gave to you Sonya and son Brody. My only regret is that I missed when Jim was playing your assistant as stand-in hairdresser and washing your clients hair.

Take care. Happier times will come again.

Love you.
