“ I would like to send my deepest and most heartfelt sympathies to Janice and her family. I am so saddened by the tragic loss of Dr O'Neil. When I first started with the Cardiology Group back in 2003 Dr O'Neil was the one doctor that would always bring a smile to my face. He always made me laugh and we developed a special bond as he would always sit down with me and we would share our "Westie" stories. We had a special love for our dogs and for "chocolate" as well. lol. For as we shared our doggie stories we would be snacking on the Hershey bar that I would always bring to him whenever I had the opportunity to work with him. Such a GREAT Doctor and human being. He will be missed by so many. May God's love comfort you all in this sad time. Laurie Casiano

“ I am a nurse who worked with Dr. O'Neil in CCU at Virtua Mt Holly for many years. He could be a lion, but he was really a lamb. We had a lot of trying times, but the good times always beat out the bad. You will be missed by so many. My thoughts and prayers go out to your family at this very sad time. “ I just want to express my sincere sympathy for the loss of Dr. O'Neil-husband, father, son, uncle, colleague. I had the pleasure of working with him at BCMH/CCU nurse and then later as his office nurse when he rented space at MMA. What a wonderful and kind human being and highly respected physician. I have many good and sad memories of that time. Please know you all are in my thoughts and prayers at his sudden passing. God Bless You all. Deanna Thomas RN

“ On my first day at the Cardiology Group in 2015, Dr. O'Neil was the first one to step forward, shake my hand and welcome me to TCG. He always came across as very friendly, approachable, and humble. It is very sad that bad things happen to good people. Although I did not know him very well, I am sure he lived an exemplary life and positively impacted a lot of people, including the patients that he served. My thoughts and prayers are with his family.
