“ *I worked with Jimmie many, many years ago at Copenhagen Imports, Moorestown, NJ where he worked in furniture delivery. He was so sweet, so pleasant and fun to be around. He always had a smile on his face and laughed often. Happened to think about him this evening and was so saddened to see he had passed away in 2015. What a great guy and so much of life still to live. I ran into him in Dunleavy's one night several years ago with his daughter when he was picking up food. After all those years I recognized him immediately and we spent a few minutes catching up with one another. It was so nice to see him again. My sincere condolences to his daughter and her family. I thank God for sharing him with me.*

“ Always willing and eager to help others and friends....he showed up at my house one day with a bucket and tools to patch a concrete and brick problem I had told him about....he just showed up and fixed it and was gone....when we were active in the Lions Club together and I was the current president he got his boss and well known industrialist Hank Rowan to come to our meeting and be our guest speaker...a rare occurrence.....very moving...Jim and Hank had similar personalities...sincere and caring!

“ I had not seen Jim in person since I was a child, and we never did get a chance to have lunch together in recent years since connecting on Facebook, as we talked about from time to time. But we had great conversations, and he was a good, kind and gentle soul. I'm deeply saddened by the loss of him, and my heartfelt sympathy goes to each member of his family at this difficult time. God be with you all. ?

“ I send my sincere condolences to the Passalacqua family. I was very saddened to hear this morning of his passing. Jim was one of my early childhood friends having attended RV and Glassboro State College while being members of the same fraternity. Jim always had a great personality and smile for all. To say he was a great guy would be an understatement. Again, my heart goes out to his entire family and those who were fortunate enough to call him a friend.

“ Dear Passalacqua family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
