“ *Jimmy was our next door neighbor for many years, and we loved him dearly. He would take care of our horses sometimes, and always brought us fresh vegetables from his garden, which he left on the back doorstep. Such a treat! Every year he would send us a Christmas card, letting us know the news of the neighborhood, because he knew we'd be interested. Such a good man, and we will never forget him.*

“ *Jim was one of the dearest friends that anyone could ever want. Jim never put himself first, always looking out for less then he gave and always there if you needed him. He will surely be missed but never forgotten. I will never forget our daily breakfast and Friday night pizza parties. God, you took Jimmy away from us to early but, I understand as you need a new Angel and I must say that You have one of the Best.*
