James W. Whitall of Willingboro, NJ passed away on Wednesday, December 29, 2021 at Cooper Hospital in Camden. He was 75 years old.

Jim had a great appreciation for nature and all animals big and small. He enjoyed gardening, painting, reading books, puzzles, and was a talented wood worker. He was very active with his children's sports' teams, coaching and umpiring. Recently, his most favorite activity was spending time with his grandchildren and being their #1 fan. “ *I knew Jim for many years during my time with Corpus Christi CYO as a baseball-softball umpire. He was a great person. I feel i became a better umpire for what i learned from him.*

My sympathies to Cynthia, Melanie and Christopher.

Thanks for sharing Bill. I know my dad enjoyed working games with you, and I am sure he learned a few things from you too. I have wonderful memories of CYO myself, and both of you were reasons why it was a great program. I hope all is well with you and your family. Best, Melanie

Thanks for the reply. I have to admit I got a but emotional when I read your reply. I have many memories of my days in CYO. I am doing well. I am married and live in Bluefield WV. We have a 9 year daughter. I am a certified WV EMT-B. I have been involved in emergency services for 35 years. I haven't been involved in youth sports since my CYO days. My knees can't take the abuse anymore- I'm not as young as I used to back in my CYO days. Happy to hear from you. Be safe and feel free to keep in touch. Bill.

“ Dear Cindy, Melanie, Chris, Grandchildren. Spouses, Rick, Barbara Angie and Families, I am so very sorry for your deep loss and pain. Jim was my handsome fun adventurous kind light hearted cousin who always had a smile and a twinkle in his eyes, especially when he was listening to a Paulina (his grandmother). He was so lovable. Completely endearing. He had that natural easy gift of making his heart known. I will always hold him in my heart. he was a good good man! I am so very sorry and wish you all my deepest sympathy.
Love, Janet
