“ My deepest sympathy goes to the family of my friend Big Jim. I just found out at this late date that my friend had passed away...to bad, too bad indeed. Jim's knowledge and expertise in the printing industry had always kept me going in the right direction....I found out Jim had passed when trying to get golf sponsor signs for him to make for meNO answer..phone or cell nor at his work station...to bad, too bad indeed. Best regards to the family. Respectfully, Joe Acquaro, Hot Stover##imported-begin##Joe Acquaro##imported-end##
