“ *I miss you my best friend. We have known each other since early childhood. I have so many wonderful memories of times shared with you. We have always kept in touch and shared our hopes and dreams with each other. Miss you.*

“ *I've know Jane for a long time and the thing I remember the most is how she always seemed genuinely happy to see you. Here smile would just light up the room and it was impossible not to be infected by her laugh and good humor.*

Thank you Jane and Mr. Latronica for making me feel like part of the family.
