Jane you have been the best partner I could have asked for in my life. I am truly blessed to have the privilege of sharing our life together. I have the biggest void in my heart, I miss you so much. Thank you for sharing your Love with me. Until we meet again, I will always cherish my beautiful, smart, funny, caring and loving woman.

“ I will always remember Jane for the ferocity with which she nurtured and protected those who were her family, friends, and pets. The way she loved us touched my heart. I feel the void, and nature abhors a vacuum. One of the stars in my sky has set for the last time.

Lynne, I grieve with thee. And for myself, because I cannot be there with you.

“ Jane was a great friend, a great cook, and an amazingly strong person. I will remember her laugh and her reputation as a “straight shooter “ because she always said exactly what she thought. When I get together with Lynne I know Jane will be there with us. I consider it a treasure to have known you Jane, thank you for the time you spent with us before moving on. Peace!

“ I always called Jane 'Angel Heart'. She brought a game called AngelHeart to a party. That was the 1st time I met her. She was always fun. The name Angel Heart really suits her. She will be very missed. I'm so relieved she is no longer in pain.

So very sorry to hear about Jane's passing. I know she fought a long battle with cancer and she suffered. No more pain, just peace.

I will hold the fond memories of the times spent. May God bless.
