“ Aug.7, 2012: I was shocked to read of Jane's passing. We shared classes during 4 yrs of Regional and later we and another classmate, also from Albion, met in San Diego and enjoyed a Padres game. Ray Gillin was in the navy on the Nautilus submarine and I was on a destroyer heading for WestPac. Jane was stationed in San Diego. I regret that we 3 didnt spend more time together. Jane was always a headsup, realistic, sweet person - always kind, loving and reflecting the Christ she kept in her heart. She was just a wonderful, warm person.  
By the life she lived we are sure of where she is and that we will see her again. May God continue to be with her family and extended family. The good she did will live on in others for years to come.##imported-begin##Blase Di Cioccio##imported-end##
