Janet Hansen Osowski, a fantastic and amazing Mom, "Grammie", and wife, passed away on June 20th, 2024. Born on January 27th, 1937, to Harry Gotlieb Hansen and Jenny Pauline Andreassen, she was a student of Barnegat Light Schoolhouse and a 1955 graduate of Vineland High School. Janet lived her dream of retiring in Barnegat Light, where she enjoyed long walks around the neighborhood and beach. She delighted in collecting sea glass and shells. She could often be found carrying a bag of trash utilizing her exceptional collecting skills keeping the beach pristine.

She was a skilled crocheter, baker, seamstress, and all around craft enthusiast. Her home was a haven of warmth, laughter and the delightful aroma of freshly baked goods, often featuring her favorite ingredient: blueberries.

“ I remember this one time (At the time embarrassing for me). I was maybe 10 years old. We were clamming in the Barnegate Bay. This consisted of wading through chest deep water feeling the sand with your feet and when finding a clam using a clam rake to get it.

I felt something stick like and it moved. I asked my mom what to do and she said pick it up. So I bent over, dipped my head in and picked it up. When the water cleared from my eyes, I saw the underside of a horseshoe crab in front of my face. I screamed, dropped the crab and jumped out of the water. All the while my mom couldn't stop laughing. I'm not sure if I ever just "picked something up" by her recommendation ever again.

Kim and Joe,
My sincere condolences on the death of your mother. Apologies such late condolences, as I didn't know. Janet was a very kind, fun and helping person at the museum. We had many a good laugh together while working there too. We also had tea together often, on a cold day in my kitchen just talking about life. She was such a pleasure to be around.

Again, sincere condolences. May she rest in peace.
