“ *Kendy, Cathy, and families,  
We are thinking of you all during this difficult time. I will always remember your mother's beautiful smile and the laughter that seemed to always follow her. My girls remember her doing puzzles and playing games with them. Her joy for life is seen in both of you. I pray you can find comfort and peace in the love of your family and friends.*

“ It takes someone amazing to do what you do, it takes someone rare and remarkable to make the lives of everyone around them nicer, brighter and more beautiful. It takes someone who has a big heart and a caring soul. It takes someone who's living proof of how precious a person can be. It takes someone like you Jan. In loving memory of our dear sister. Forever at peace, forever in our hearts.
