“ To the Lane Family. I worked with Jay for many years, and always knew him to be a kind, caring and helpful fellow. Of course you already knew this. He was always ready to lend a helping hand, and quite a number of folks from Fort Monmouth are better for having known Jay.

*Knowing that my friend has crossed over to the other side, while distressing, is also something to rejoice about, as I know I will see him again.*

*God Bless,
