“ *I was saddened to read of the loss of your loved one. I personally experienced the grief of losing my loved ones. However, there is comfort to know the Holy Scriptures gives the assurance that God will end death, pain and sorrow. Rev 21:4
For the ones we have lost in death, there is a promise for them by means of the resurrection. John 5:28,29*

“ Jean you will be missed dearly. You were always a big part of our family. I will never forget all the good times we had up at Ida's house and how much you loved Mike. He was your singing partner and the laughs that we had together is unforgettable. We loved you as a sister. We had spent a lot of time together and definitely a lot of laughs together.
You will now be with your husband who was there for you for so many years.and took care of you. Then the cards turned where he got sick and You were there for him, and you took very good care of him Jean and I thank you for what did.
We love you Jean and you are in a better place with God, Sonny and your other loved ones.
