“ ...Where to start...I met Jeannie 22 years ago thru our mutual friend Rita. The day I met her, I knew we were going to be friends for life. Thru the years, we made so many memories...and we shared the best of times....and, the worst of times. A piece of my heart went with Jeannie the day she died...a piece that will stay with her forever...because that piece belongs to her. No one else that has ever crossed my path in my journey through this life, could compare to her. Jeannie...was one of a kind. We laughed so hard together and on the flip side we shared a lot of tears together. Jeannie could walk into a room and just take over the stage...with her one-liners and her penchant for making people smile and feel good about themselves. And she loved her kids beyond words... Jeannie...I will miss you for the rest of my life. The void you left behind can never be filled. I hope that you found your yellow brick road when you crossed over and went straight to OZ....
~~~Rest In Peace my beautiful friend~~~

always....Robin

“ *Jean has been my friend since we were 10 years old. We have done some of the craziest nutty things growing up. We parted ways for a while and began our families, however, no matter how much time went by, when we would talk again we would just pick up where we left off and never skipped a beat. We were together all the time when we were kids she used to call my mom and dad, mom and dad. She went on vacations with us. I would spend a lot of time at her sister Donna's house in the summer. Jean was like the sister I never had. A very big part of my heart is gone today, but my memories of her will last forever. My deepest heartfelt condolences go out to Tiffany and her family and to Zack. To all of her family and to all our friends. May Jean find the peace she needed in Jesus' arms. Love ya Jean. Your life long friend, Janet*

“ Jeanie... You will be truly missed by many.. She was like a second mom to me growing up.. I remember the first time I sleep over there and I was a cry baby. I wanted to call my mom to come get me.. And Jeanie let us sleep with her in her bed that night..she didn't yell at me or call my mom.. She made me feel safe with her.. She did what my mom would have done for me.. She always made me feel at home.. Like doing dishes or making my favorite meal.. Fish sticks..lol... I will never forget you ... Fisha...lol... Love you
