“ *My Grandmom was amazing. I remember my grandmom inviting all the granddaughters to her house for a sleepovers. This was so much fun we would play dress up and put on a show for grandmom. I remember how much fun we had and the smile and claps grandmom would give us are now so precious to me. Despite the fact that grandmom had so many grandchildren she always made you feel so special. She was full of LOVE and laughter. I will miss you but I know that you are praising the Lord with the Angels!*

“ Aunt Jean you always gave us so many memories. Mom & dad would give us 5 kids the warning b4 we were coming to ur house (almost every weekend ) on a Friday. Don't start are stuff cause we were not staying yet we came on Friday & left on Sunday. Debbie & I would always pretend we were sleeping so we the Camden Phelan could stay & we did. Remember ur famous saying "Don't talk to me in the mornings till I have 2 cups of coffee one for each eye" and who could blame you, after all you were the Saint who put up with us (total ) 12 kids. Us 5 & your 7. Best days of my childhood. Love you with all my heart RIP Aunt Jean until we meet again !!! Love your niece Donna
