“ I have known Jean and her family for 50 yrs. Lumberton was a great place with caring people. Jean was one of them.

Jean was always kind to the neighborhood kids. I was always happy when she allowed us to go in her pool and hang out at Zickler's fun house with all the fun games they had. We always felt like family. I am thankful that Jean was such a part of my childhood on Chestnut Street. (I lived Main Street) but loved staying at her house. I moved away from the area and anytime I could, I would stop in at her home on Chestnut Street.

The memories we all shared as kids., Clifford, Keith , and Tiny (Rosemary),

I am so sorry for the loss of your dear Mother. May you find comfort in knowing how much she was loved.

I wish that, I lived closer to be there with you. Please know, I'll be praying for you all.
